## President Says...Hi Folks,

The leaves are falling from the trees, fall is here. We are working on getting our vehicles put away for the winter. I have started working on finishing the insulation and walls in the garage. I'm hoping over the winter to have the electric and lighting finished. We are going to start removing carpet in the house. We discovered hard wood flooring was underneath. We plan on doing one room at a time. When you own a home, there is always something to do.

Our meeting this month is at the Central Ohio Military Museum. Bob will be providing lasagna and garlic bread. If you would like to bring a dessert or salad that would be great. This is a nice museum it is worth the trip. Our December meeting will be the Christmas banquet. We are having it at a new location, please contact John Cheney for your reservation and payment. We will be collecting items Toys for Tots, please bring an unwrapped gift. We will be having a drawing for 1 year membership for people giving items, 1 ticket per item given. If you have any questions, please contact one of the officers.

See you at the meetings.

Your President,  
Alan Kisling

## Editor Says...Hi Everyone!

Where has this year gone? After the whirlwind the last 2 months, we're winding down. Veteran's Day, maybe a couple parades and some car shows are about all that is left.

Remember to get your reservations in for the Christmas banquet/meeting, December 6th. Don belongs to the Amvets Post 48, the venue for this year, and we have eaten there many times. We've come to know the cook and she really knows her stuff. It will be decorated and is a nice banquet room. There are 2 entrances, both handicap accessible. Parking is on the south side as that is closest to the entrances. So, contact either John Cheney II or me and if we don't answer, please leave a message. Let's get the reservations in as soon as possible.

The last 2 meetings we've had some really great trail rides. Both different. Last month's we didn't see much color yet as with the drought it isn't as pronounced as usual. Still it was a beautiful drive through hills and valleys and a LOT of fish hatcheries.

The computer fiasco is pretty much history. Still a few more bumps to iron out. I'm getting too old for this kind of excitement.

Next meeting is at the Central Ohio Military Museum and if you didn't attend last year and see this great gem over by southwest Columbus, you need to come to this meeting and see it. So much history and so well organized. Like Alan said we only need to bring a dessert and your own drinks. This is about the center of Ohio so should be an even drive for most all.

See you the 8th,  
Ann Winegardner

October 11, 2025 was hard for family and friends of Tom Price. This was the day they put the LVT4 on a semi for Texas.

As Tim Robertson put it. "Well.....damn. It will be on its way to Texas Monday, October 13th, 2025. It was so much a part of Tom Price's life that it was almost as sad to see it go as it was Tom himself. It will be on display at the Museum of the American GI in College Station, TX. Inside is a 42 Willys MB radio Jeep which will also be on display."

Goodbye old friend. Safe journey to your new home. May others enjoy you like we have. Although it won't be in the water again, many can enjoy the care Tom gave it and its' history. Tom preserved it for all to enjoy and Brent Mullins will be a good new caretaker.

2SECRETARY'S REPORT: Meeting was called to order by President Alan Kisling on Saturday, October 11, 2025 at 1:43pm. Meeting was held at Ethan Tegtmeier's shop outside of West Salem, Ohio with Ethan, Liz, Dan and Beth Tegtmeier hosting.
